DEMO **RUN SHEET**

Twenty minutes: the idea and the benefits on the deck, the proof in the tool, the ask on the deck. The last column is the way round each failure.

TIME	BEAT	DO	SAY	IF IT FAILS
0:00	**Open**	Deck, slide 1.	**"Member Care's month, in one place."**	–
0:30	**The idea**	Slides 2 to 4.	**"Month end ran on people and spreadsheets. Now every role works from one shared truth."**	–
3:00	**What we get**	Slides 5 and 6.	**"Time back, fewer errors, fairness people can see, the month at a glance, no single point of failure, privacy."**	–
4:30	**Go live**	Alt+Tab to the demo file; F11.	**"Let me show you. These are made-up people, so nobody's data is on the screen."**	Browser closed: double-click the demo file.
5:00	**The month at a glance**	The dashboard: S on the month close, then the bell.	**"Everyone opens the same month: what is next, what is late, whose turn it is."**	Talk over slide 4 instead.
6:30	**Settled first**	WFM team › Review › Checks; open one Please check line.	**"Nothing counts until the questions that matter are decided, and every decision is kept."**	Skip to How.
8:00	**Every bonus explained**	Results › How next to one final %; Z on the KPI table.	**"94.96% counts as 95%, the same for everyone. Every point has its working."**	Panel empty: choose another person.
9:30	**Every role**	Showcase › Every role: View on a supervisor, then an agent (English, then Arabic).	**"Each role sees only its own page; IDs are hidden while I show you."**	Slow: Back to Admin and go on.
12:00	**What it gives back**	Showcase › What it gives back. Ask the room for people and hours; type them.	**"These are your numbers, not mine."**	Nobody answers: give one role's hours yourself.
13:30	**Coaching and trust**	Back to the deck: slides 10 to 13.	**"The coaching loop closed; the month never waits on one person; 0 web requests, AES-256, 37 browser test suites."**	–
15:00	**The ask**	Slides 14 and 15, then the pilot proposal (12).	**"We start with the next close. Can we decide by [date]?"**	–
16:00	**Questions**	Hard questions (04) on the table.	**"Good question: I will send the answer with the follow-up email."**	–

The three moments that win the room

1. The whole month on one screen, for everyone.
2. One agent's bonus explained, point by point.
3. The room's own hours turned into days back a year.

Ten minutes only?

Slides 2 and 5, then How this was counted, View as an agent, and slide 15. Leave the rest for questions.
