DEMO **RUN SHEET**

Twenty minutes: the story on the deck, the proof in the tool, the ask on the deck. The last column is the way round each failure.

TIME	BEAT	DO	SAY	IF IT FAILS
0:00	**Open**	Deck, slide 1.	**"Member Care's month end, in one place."**	–
0:30	**The product, the job**	Slides 2 to 4.	**"Ten files, seven roles, one deadline. One file runs the whole month."**	–
3:00	**Four steps**	Slide 5.	**"Import, Review, Export, Emails: each step says what it still needs."**	–
4:00	**Go live**	Alt+Tab to the demo file; F11.	**"Let me show you. These are made-up people, so nobody's data is on the screen."**	Browser closed: double-click the demo file.
4:30	**One drop**	WFM team › Import; drag in the four files of the live drop pack.	**"Every file of the month in one drop, each recognised by its columns."**	The drop fails: the month is already in the demo; go to Review.
6:00	**Checked first**	Review › Checks; open one Please check line.	**"Nothing is built until every blocking check is decided."**	Skip to How.
7:30	**Every bonus explained**	Results › How next to one final %; Z on the KPI table.	**"94.96% counts as 95%, the same for everyone. Every point has its working."**	Panel empty: choose another person.
9:00	**Emails**	WFM team › Emails; open the deduction email preview.	**"The tool writes; people send. No National IDs in the attachments."**	Skip; say it.
10:00	**Every role**	Showcase › Every role: View on a supervisor, then an agent (English, then Arabic).	**"Each role sees only its own page; IDs are hidden while I show you."**	Slow: Back to Admin and go on.
12:30	**What it gives back**	Showcase › What it gives back. Ask the room for people and hours; type them.	**"These are your numbers, not mine."**	Nobody answers: give one role's hours yourself.
14:00	**Trust**	Back to the deck: slides 14 and 15.	**"0 web requests, AES-256, 36 browser test suites before every change."**	–
15:00	**The ask**	Slide 17, then the pilot proposal (12).	**"We start with the next close. Can we decide by [date]?"**	–
16:00	**Questions**	Hard questions (04) on the table.	**"Good question: I will send the answer with the follow-up email."**	–

The three moments that win the room

1. Every file read in one drop.
2. One agent's bonus explained, point by point.
3. The room's own hours turned into days back a year.

Ten minutes only?

Slide 2, then Import, How this was counted, View as an agent, and slide 17. Leave the rest for questions.
